

# You Are The One (Dustin Skiles Remix)

## Shiny Toy Guns

Black rose and a radio fire  
It's so contagious  
It's just like something changing my mind  
I'm gonna take what's evil Your cover melting inside  
With wide eyes you tremble  
Kissing over and over again  
Your God knows his faithful I try, to digest my pride  
But passion's grip I fear  
When I climb, into shallow vats of wine  
I think I almost hear, but it's not clear You are the one  
You'll never be alone again  
You're more than in my head, you're more You are the one  
You'll never be alone again  
You're more than in my head, you're more Spin faster shouting out loud  
You can't steal what's paid for  
It's just something hurting again  
Murdersome, she's painful You so believe your own lies  
On my skin your fingers  
Runaway until the last time  
We're gonna lose forever When you try, don't try to say you won't  
Try to crawl into my head  
When you cry, 'cause it's all built up inside  
Your tears already said, already said You are the one  
You'll never be alone again  
You're more than in my head, you're more You are the one  
You'll never be alone again  
You're more than in my head, you're more You'll never be alone again You are the one  
You'll never be alone again  
You're more than in my head, you're more You are the one  
You'll never be alone again  
You're more than in my head, you're more Alone again
