

Scream Until You Like It

W.A.S.P.

Scream until you like it
Come on in! ha ha ha
Come on in, no this ain't no dream
Better hold on tight things ain't what they seem, no no no
Don't be afraid if your heart's burning ready to go
Well I love it when I scare you so
From your head down to your oh!
Scream until ya like it
Never gonna stop
Scream until ya like it
Get ready to rock
Scream until ya like it
Never gonna stop
Scream until ya like it
I'm sending out little boys to play
You know a trick like that could really make my day ha ha ha
My little killers are ready to take you away
Well, I love it when I scare ya so
From your head down to your oh!
Scream until ya like it
Never gonna stop
Scream until ya like it
Get ready to rock
Scream until ya like it
Never gonna stop
Scream until ya like it
Come on in, no this ain't no dream
Better hold on tight things ain't what they seem, no no no
Don't be afraid if your heart's burning ready to go
Well I love it when I scare you so
From your head down to your oh!
Scream until ya like it
Never gonna stop
Scream until ya like it
Get ready to rock
Scream until ya like it
Never gonna stop
Scream until ya like it
