Man's Road

Original Film Soundtrack

Horizon rising up to meet the purple dawn
Dust demon screaming
Bring an eagle to lead me on
For in my heart I carry such a heavy load
Here I am on man's road
Walking man's road, walking man's roadI'm hungry, weary but I cannot lay me down
The rain comes, dreary
But there's no shelter I have found
It will be a long time till I find my abode
Here I am on man's road, walking man's roadMoon rising, disguising lonely streets in gay displays
The stars fade, the night shade falls
And makes the world afraid
It waits in silence for the sky to explode
Here I am on man's road
Walking man's road, walking man's roadWalking man's road
Walking man's road, walking man's road
