Let Me In

Jefferson Airplane

Oh Let me me in I wanna be there You shut your door Now it ain't there Without a word to me Without a look at me You turned me down without a care Oh let me in Hear what I'm, talking about I gotta get in But you keep putting me out Without a call to me Without a love for me You don't even know if there is One gram of doubt Oh let me in baby You're driving me crazy Your playing games in my mind Oh let me in honey Don't tell me it's so funny I didn't know that you could Be that unkind (Break) Oh let me in You know I, want only you I don't want to be told by you what to do Without a care for me Without a love for me Who's gonna talk for me Who's gonna speak for me You walked away for something That you knew Thank's for nothing
