

Morderisk Depresjon

Dethcentrik

I'm depressed
I'm upset
And the rest of the world will pay for it!
Let everyone die!
They all suck!
See if I give a fuck! This is How I feel
I wish it wasn't so
This is something real
I cannot let it go! I cannot save the souls of all, so I must let them...
Fall! I want to be good, yet I'm bad
The state of this pissy world is sad! This is How I feel
I wish it wasn't so
This is something real
I cannot let it go! (x3) I must let them...
Fall!
