

Naughty Girls (Need Love Too)

Samantha Fox

I've been told time and time again
That you can't treat love like a game
But I play rough with hearts that never mend
'Cause some guys like you do the same Love was just a four-letter word
Never heard, how absurd, how could it be
Now I can't believe this is real
How I feel, now you steal my heart away from me Used to always know what to do
Now you've got me confused Baby don't let me be misunderstood
Temporary love's so bad, but it feels so good
Then along came you, now I know it's true
Naughty girls need love too
Then came you, then came you Yes, it's true, I'm in love with you
And believe it baby, this time your love won't get away
Stay here, in the place to be
We can get busy my way for six forevers and a day Ooh, it's only you I adore
So much more than the body was asking for
Yes, your love is breaking my chill
Even still, there's a thrill in my heart Baby, don't let me be misunderstood
Temporary love's so bad, but it feels so good
Then along came you, now I know it's true
Naughty girls need love Baby, don't let me be misunderstood
Temporary love's so bad, but it feels so good
Then along came you, now I know it's true
Naughty girls need love Don't let me, temporary love's so bad
Then along came you
Don't let, baby, temporary, temporary love's so bad
Then along, then along came you
