Don't Get Sad

Ida

Don't get sad on me
Don't get sad on me
I may not have a lot of comfort to spare
But i hear youI hear youPut on your coat and your hat and your gloves
And go walking
Take one hand out of your glove on the street
When you're walking
Look straight ahead
Don't turn around when you're walking nothing can hurt you now
Don't turn around when you're walking awayYour love isn't gone
Its just moved on
Its inside you now
It feels so heavy
Your love isnt gone
Its just moved on
Its inside you now
You'll find it somehow
