Take Me Back

The Vines

There's no point in doin' what I've done
Lives are goddamned ruined like the runts

Take me back to the weather
Bend the tracks wish forever
Take me back for I go down there no more

Chew us up and spit us out again
Wavin' bye and getting high on trends

Take me back to the weather
Bend the tracks and wish forever
Take me back for I go down there no more

Well the road is long
But I know I can survive
Been away so long
Anyway I saw what I could find
