

# Suicide Baby

## House of Heroes

Up the stairs and down the hall  
To your door and through your wall  
I'm sorry that I never called  
I'm sorry that I never called I can't lose you 'cause you're my only one  
I can't lose you 'cause you're my own I must be crazy  
I never thought it would come to this  
To this and maybe, it's suicide by small increments  
Crements amazing, I'll admit that it's amazing  
I cannot give my hands around it Brick by brick I built these walls  
Brick by brick I built these walls  
I'm sorry that I never called  
I'm sorry that I never called I can't lose you 'cause you're my only one  
I can't lose you 'cause you're my own I must be crazy  
I never thought it would come to this  
To this and maybe, it's suicide by small increments  
Crements amazing, I'll admit that it's amazing  
I cannot give my hands around it So please, come to your window  
Been throwing rocks all night I must be, I must be crazy  
I never thought it would come to this  
To this and maybe, it's suicide by small increments  
Crements amazing, I'll admit that it's amazing  
I cannot give my hands around it So please, come to your window  
Been throwing rocks all night I must be, I must be  
I must be crazy, baby  
I must be crazy, baby  
I must be crazy, baby  
I must be crazy, baby  
I must be, I must be, I must be I must be  
I must be  
I must be
