

# Love And Understanding

[Cher](#)

Here, here in this world  
Where do we go  
Where can we turn  
When we need some love  
It seems that love just can't be found  
Where, where do we stand  
When love's supply don't meet love's demands

We got enough stars to light the sky at night  
Enough sun to make the whole world bright  
We got more than enough  
But there's one thing there's just not enough of

[Chorus]

Not enough love and understanding  
We could use some love to ease these troubled times  
Not enough love and understanding why, oh wh-why-why

Spend all of our time  
Building buildings up to the sky  
Reaching everywhere but where we need to reach the most  
Hearts never can win  
Oh, in this race  
This race that we're in

We've got enough cars to drive around the world  
Enough planes to take us anywhere  
We got more than enough  
But there's one thing there's just not enough of

[Chorus:Repeat x2]

We need some understandin'  
We need a little more love  
Some love and understandin'  
Enough stars to light the sky at night  
Enough sun to make the whole world bright  
Enough hearts to find some love inside  
We got more than enough

But there's one thing there's just not enough of

[Chorus:Repeat x5]
