

Fishing For Love

The Naked Brothers Band

So many fish in the sea then I'm fishin' for love.
So many fish in the sea Then why don't we go on for a swim?
We'll find a pretty girl, and bring her back home.
Don't no where she lives or where she might roam.

Fishin' for love. Fishin' for love.

Brought back, a girl named Sanny,
Her fathers name is Danny,
and she lives in Tennessee.
she's 5 foot 4, she likes to go to the beach
and she's got one bad knee.

She wears a t-shirt that goes up to her belly.
She's a crazy chick,
A crazy girl and we got her out of the sea,
A crazy girl and we got her out of the sea.

So many fish in the sea that i am fishin' for love.
So many fish in the sea then why don't we go for a swim?
We'll find another girl and bring her too.
She won't be old I'll make sure she'll be new. fishin' for love

Fishin' for love

Her name is Nora, she lives in Bora-Bora
She's a Dairy Queen queen,
She works at the deli, she really likes Nelly,
Her best friend's Kelly.

She reads magazines, and eats green beans,
And she whines till the day is done.
She's a crazy chic, a crazy girl and we got her out of the sea,
A crazy girl and we got her out of the sea.

Fishin' for love

Fishin' fishin for love

I'm fishin' for love
