Caravan

Cassandra Wilson

Night and stars above that shine so bright The mystery of their fading light That shines upon our caravanSleep upon my shoulder as we creep Across the sands so I may keep The memory of our caravanThis is so exciting, you are so inviting Resting in my arms As I thrill to the magic charms of youBeside me here beneath the blue My dream of love is coming true Within our desert caravanNight and stars above that shine so bright The mystery of their fading light That shines upon our caravanSleep upon my shoulder as we creep Across the sands so I may keep The memory of our caravanThis is so exciting, you are so inviting Resting in my arms As I thrill to the magic charms of youBeneath me here, beneath the blue My dream of love is coming true Within our desert caravan Within our desert caravan
