

Sleep with Me

We the Kings

Hey there, hey, hey someday
Can I wake up with you?
Hey there, hey, don't delay
That's the last thing you should do
Won't you take my remedy?
I got cheap words and wine
Have a drink, say anything
And I'll sing you a lullaby
So baby, are you in or are you out now?
Tell me if you're lonely in this crowd
I am paid overtime
And you're the only game in town
Baby, sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes?
Baby, sleep with me
So you'll wake up here in my arms
Sleep with me
I want you to want no one else other than me
Hey there, hey, don't hesitate
I've been waiting too long
Hey there, hey, believe in me
'Cause all your friends are wrong
So baby, are you in or are you out now?
Tell me if you're lonely in this crowd
I am paid overtime
And you're the only game in town
One, two, three, four
Sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes?
Baby, sleep with me
So you'll wake up here in my arms
Sleep with me
I want you to want no one else other than me
Do you even know how you light the room?
I was blinded but now I see

The only thing I want is you and me
Sleep with me, sleep with me, sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes?
Baby, sleep with me
So you'll wake up here in my arms
Sleep with me
I want you to want no one else other than me
