Here Comes the Flood

Inspiral Carpets

You shake my shoulders, you shake the earth
You shake my life for all it's worth
I rack my brains, I roll my eyes
Don't give me time to realizeIrresistible force, irresistible force
Irresistible force, irresistible force
Irresistible force brings me back to youYou shake my shoulders
You shake the earth
You shake my life for all it's worthIrresistible force, irresistible force
Irresistible force, irresistible force
Irresistible force brings me back to
Irresistible force brings me back to
Irresistible force brings me back to youIrresistible force, irresistible force
Irresistible force, irresistible force
Irresistible force brings me back to youBring me back to you, bring me back to you
Bring me back to you, bring me back to you
Bring me back to you, bring me back to you
Bring me back to you, bring me back to you
