Smash the System

Luke Haines

Smash the system

Letâ€™s go down to the riot
Itâ€™s summertime
And nowâ€™s the time
to Smash the system
Smash the system

We got the numbers
Roll up a number
Letâ€™s have an adventure
on the escalator
I like the Monkees
Do you like the Monkees?

Letâ€™s Smash the system
Smash the system

Letâ€™s go down
to the demonstration
Itâ€™s summertime
And nowâ€™s the time
to Smash the system
Smash the system

Youâ€™re right, Iâ€™m wrong
Thereâ€™s no doubt
Letâ€™s have an adventure
on the escalator
Smash the system
Smash the system

Listen to the Velvet Underground
Listen to the Velvet Underground
Smash the system
Smash the system

And Davy Jones sings
And Davy Jones sings
Ooh!

Ooh!

Letâ€™s go down to the riot
Itâ€™s summertime
And nowâ€™s the time
to Smash the system
Smash the system

Letâ€™s go down to the riot
Itâ€™s summertime
And nowâ€™s the time
to Smash the system
Smash the system

And Davy Jones sings
And Davy Jones sings
Smash the system
Smash the system
Smash the system
