

Right Thru Me

Nicki Minaj

[Chorus]

You see right through me.

How do you do that shit

How do you do that shit

How do you do that shit

How do you

How do you

How do you

How do you

How do you You let me win,

You let me ride

You let me rock

You let me slide

And when they lookin'

You let me hide.

Defend my honor

Protect my pride.

The good advice

I always hated

But looking back

It made me greater.

You always told me

Forget the haters

Just get my money,

Just get my weight up.

Know when I'm lying,

Know when I'm crying

It's like you got it

Down to a science

Why am I trying

No you ain't buying,

I tried to fight it

Back with defiance.

You make me laugh

You make me hoarse

From yelling at you

And getting at you

Picking up dishes

Throwing them at you.

Why are you speaking
When no one asked you.[Chorus: x2]What are we doing,
Could you see through me?
Cause you say Nicki
And I say who me?
And you say no you
And I say screw you.
Then you start dressing
And you start leaving
And I start crying
And I start screaming
The heavy breathing
But whats the reason.
Always get the reaction you wanted
I'm actually fronting
I'm askin' you something
Yo, answer this question,
Class is in session,
Tired of letting
Passive aggression
Control my mind,
Capture my soul
OK your right
Just let it go.
OK you got it,
Its in the can.
Before I played it
You knew my hand.
You could turn a free throw into a goal.
Nigga got the peep hole to my soul.[Chorus: x2]Stop,
Stop,
Would you just stop looking through me
Cause I just cant take it.
No I cant take it.You see right through me.
How do you do that shit
How do you do that shit
How do you do that shit
How do you
How do you
How do you
How do you
How do youYou see right through me.
(you see right through me baby)
You see right through me
You see right through me
