Falling In Love

The Samples

Don't lead me on because you want to
Turn off and on when you need to
Like nothing on earth when I'm with youWe're falling in love
In the summer of loveOur wild horses roam forever
All our control is lost in pleasure
Don't shoot your guns until we get thereWe're falling in love
We're falling in loveSomething inside me is changing
I know my mind is rearranging
There's only hope in what I'm sayingWe're falling in love
We're falling in love
In the summer of love
We're falling in loveWe're falling in love
