

Paint A Smile On Me

Black Yaya

I sit down by the window and stare
The blind is shut but I don't care
I'm going up, I'm going down
I'm going nuts when you're not around
They'll have to paint a smile on me
They'll have to paint a smile on me
They'll have to paint a smile on me
If you won't come meet me And when it's nice out you want to go surfing
I say I'll stay in and I'll do some working
And when all is said and done
I can do nothing when you're gone
They'll have to (paint a smile on me)
(Paint a smile on me)
(Paint a smile on me)
(If you won't come meet me) Paint a smile on me, they'll have to
Paint a smile on me, they'll have to
Paint a smile on me, they'll have to
If you won't come meet me A night without you to hold me tight
Is a night when I can't feel right
Nine one o, nine o nine
I'm counting back until you say you're mine
They'll have to paint a smile on me
They'll have to paint a smile on me
They'll have to paint a smile on me
If you won't come meet me Paint a smile on me, they'll have to
Paint a smile on me, they'll have to
Paint a smile on me
If you won't come meet me (Paint a smile on me)
(Paint a smile on me)
(If you won't come meet me)
Paint a smile on me, they'll have to
Paint a smile on me, they'll have to
Paint a smile on me
Paint a smile on me
If you won't come meet me (Paint a smile on me)
(Paint a smile on me)
(Paint a smile on me)
(If you won't come meet me)
(Paint a smile on me)

(Paint a smile on me)
(Paint a smile on me)
(If you won't come meet me)
