

# Liar

Deana Carter

You promised me that I'd be  
The only one you'd ever love  
And all of our dreams would come true  
And I could always count on you  
Liar, cheater  
I bet you break more hearts than anyone  
Loser, leaver  
Sometimes I think you do it just for fun, liar  
You said the stars were all ours  
And that heaven's just a kiss away  
And when we were old you would hold me  
And love me 'til our dying day  
Liar, cheater  
I bet you break more hearts than anyone  
Loser, leaver  
Sometimes I think you do it just for fun, liar  
Love's gonna get you back someday  
Love's gonna get you hey, hey, hey  
Love's gonna be the price you pay  
Liar, cheater  
I bet you break more hearts than anyone  
Loser, leaver  
Sometimes I think you do it just for fun, liar
