

# Situation (Daniel Miller - Mark Saunders 12" mix)

## Yazoo

Blue eyed dressed for every situation  
Moving through the doorway of a nation  
Pick me up and shake the doubt  
Baby I can't do without Move out, don't mess around  
Move out, you bring me down  
Move out, how you get about  
Don't make a sound just move out I remember only for an hour  
Move right through me can you feel the power  
I don't know what's going on  
It scares me but it won't be long Move out, don't mess around  
Move out, you bring me down  
Move out, how you get about  
Don't make a sound just move out Now he's in control he is my lover  
Nations stand against him he's your brother  
Been a long time, been a long time now  
I'll get to you somehow Move out, don't mess around  
Move out, you bring me down  
Move out, how you get about  
Don't make a sound just move out Move out, don't mess around  
Move out, you bring me down  
Move out, how you get about  
Don't make a sound just move out
