Sesame Street Fever

Sesame Street

(Fever, uh huh
Fever, uh huh
Get down)

There's fever down in Alabama (got the fever, uh huh)
There's fever up in Nome (risin' fever, uh huh)
There's fever out in California
And fever heatin' up at home (people movin', oh)
The heat is gettin' everybody (play the music)
Like me and you
And here on Sesame Street
Happy day, we got the fever too

[Count]
3, 4, 5, ahahah, I'm counting in disco! Oh, I love it. Get down! That's one get down. Ahahah.

(Fever, countin', uh huh
Fever, movin', uh huh
Get down)

We got the fever down in Hooper's (got the fever, uh huh)
It's up in Big Bird's nest. Yeah! (dancin' fever, uh huh)
And even Ernie's got the fever (people movin', oh)
Along with all the rest (fever movin' fast)
The fever's got my rubber duckie [squeaks] (and it's singin')
You know it's true
Yeah, here on Sesame Street
Happy day, we got the fever too

[Big Bird]
Everybody's dancing! Oh boy, shake your feathers!

[chorus]
Come and play
Oh, what a happy day
Happy day, come play
Dancing the clouds away
Come and stay

[Count]

Get down, get down! That's 2 get downs. Ha-sha!

(Fever, dancin'
Fever, countin', uh huh
Fever, movin', uh huh
Get down)

The beat has got the people movin'
The beat is just so good
And everybody's gettin' happy [Ernie laughs] (off the feelin' now)
Just like I knew they would (oh, it felt so good)
We're full of love and full of dancin' (to the music)
The music's strong and new
Yeah, here on Sesame Street
Happy day, we've got the fever too

[Count]
3, 4, huh, huh, yeah. The Disco Count counting disco dancers. Hah!

[chorus]

[Count]
Get down, get down, get down! That's 3 get downs. I love it!

(Fever, ah, keep dancin'
Fever, risin', fever, keep dancin'
Fever, the music, the fever, the feelin'
Dancin' fever, spreadin' fever, ah, countin' music, fever
Ah, fever, movin', uh huh
Fever, movin', uh huh)

[Count]
Oh yes, take me back to the castle.

[chorus]
