

# Something Bigger

## Mary Mary

My block in here Gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big  
Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big  
Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big  
Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big, b-b-big Everybody doin' that, can't do it again  
Why you mad at me 'cause I wanna do it big?  
Don't think I'm unplugged and I'm disconnected  
'Cause I didn't do what ya'll expected I ain't never thought small 'cause my brain's colossal  
When you gon' find out, you can do it if you want to  
Pull up the New Test, click John 14  
I can do great things 'cause of God in me If God's in me why I gotta think small?  
Now you know, that don't make no sense at all  
I'm in the image of The Greatest, why I gotta defend?  
Why I wanna do it, wanna do it, wanna do it big Gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big  
Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big  
Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big  
Gotta do it, gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big, b-b-big Can't keep it in a box 'cause it just don't fit  
My God, He's bigger than just music  
I can take it to the church where my people go  
I can take it to the people that just don't know I can take it to the people that feel real low  
To the poor, to the rich, to the CEO  
He knows who you are  
Who you're not, what you got, when it's all gon' stop He can make you larger  
Change your life and take you farther  
It ain't no limit 'cause this world is His  
So you got to do it, got to do it, got to do it big Gotta do it, gotta do it big  
B-b-big, b-b-big, b-b-big, big  
Gotta do it, gotta do it, gotta do it big

B-b-big, b-b-big, b-b-big, bigGotta do it, gotta do it, gotta do it big  
 B-b-big, b-b-big, b-b-big, big  
 Gotta do it, gotta do it, gotta do it big  
 B-b-big, b-b-big, b-b-big, big  
 Gotta do it, gotta do itNobody plans to be a loser  
 Nobody tries for second place  
 Nothing's wrong with second place butWhy stop at the ceiling when God showed me the sky?  
 Why get on the airplane if I'm too scared to fly?  
 Why am I goin' to the battle if I don't wanna fight?  
 I'm goin' further on, got to be incredible, oh, ohGot to do it, got to do it big, big  
 I got to, I got to, got to do it big  
 Got to do it, got to do it big, big  
 I got to, I got to, got to do it bigGot to do it, got to do it big, big  
 I got to, I got to, got to do it big  
 Got to do it, got to do it big, big  
 I got to, I got to, got to do it bigGotta do it, gotta do it big
