

Elevator To Heaven (100% Blues)

Chris Bell

Chris Bell â€“ Elevator to heaven 2001

I havenâ€™t seen any rain, dragin round a ball an chain

I havenâ€™t seen any rain, dragin round a ball an chain

Angel says itâ€™s quarter past eleven, Iâ€™ll catch the next elevator to heaven.

Time can be a seconâ€™m â€“ can be a minute â€“ an hour â€“ or even a day

Time, time, time time be a seconâ€™m, a minute, an hour â€“ or even a day

Angel says itâ€™s quarter past seven â€“ Iâ€™ll catch the next elevator to heaven.

Instrumental

I havenâ€™t seen any rain â€“ I been dragin round a ball an chain, yes I am

I havenâ€™t seen any rain â€“ dragin round a ball an chain, yes I am

Angel says itâ€™s half past eleven â€“ Iâ€™ll catch the next elevator to heaven, heaven.
