# Never Enough

## Jesus Jones

This is the real world, made wrong made right
Or maybe just made
You waste my time with explanations
So all the big colors fadeSo you want to be happy
Don't you know happy is never enoughLooking for big answers, getting nowhere
But then you're swimming in the shallow end
You take these broken bones
I'll tell you something, these things don't mendSo you want to be happy
Don't you know happy is never enoughI'm on the wrong train I can tell
'Cause I'm the only one who thinks so
Hard on the heels of getting somewhere
But there are things that we don't knowSo you want to be happy
Don't you know happy is never enough
