Gone In September

Mike Stud

I used to be a sweetheart
I used to be alright
I'd tell myself I love you
But I'm creeping every night
When I met you at the party
And I told you you were pretty
I was honestly just trying to score
But you made me wait a week
Just to kiss you on your cheek
Now it's breaking my heart to break yours
I said I loved you in the summer
But will I love you in the fall?
I thought I wasn't like the others
Guess, I'm an asshole after all
Come September I'll be gone, gone, gone
Come September I'll be gone, gone, gone
I used to be a good guy
I used to be alright
I'd tell myself I loved you
But I'm creeping every night
When I met you at the party
And I told you you were pretty
I was honestly just trying to score
I said I loved you in the summer
But will I love you in the fall?
I thought I wasn't like the others
Guess, I'm an asshole after all
Come September I'll be gone, gone, gone
Come September I'll be gone, gone, gone
Gone, gone, gone
Come September I'll be gone, gone, gone
I'd be lying if I said it didn't feel right
I've been trying but I just can't get the feeling back
When did I become one of the bad guys
I said I loved you in the summer
I loved you in the summer
But will I love you in the fall?
L-l-love you in the fall
I thought I wasn't like the others

I wasn't like the others
Guess I'm an asshole after all
Come September I'll be gone, gone, gone
Come September I'll be gone, gone, gone
Gone, gone, gone
You can miss me, I'm gone, gone, gone
