

# Draw Me

[Keith Green](#)

Draw me, oh draw me, please draw me, my Jesus  
Into Your presence, where I cannot lie  
My soul is so thirsty, I cannot endure it  
And if I can't get closer, I surely will die  
Take me, oh take me, please take me, my Jesus  
Quickly before I forget that I'm lost  
For so many times, my mind has deceived me  
That I really don't have to carry the cross  
That I really don't have to carry the cross  
I just need to know how to pray  
My wicked desires block the way  
Sometimes I have grieved You away  
I don't want to do that today  
Help me, oh help me, please help me, my Jesus  
Save me from sins that I thought were all gone  
Kill me with kindness and break through my blindness  
I know till I'm dead, I can never live on  
I know till I'm dead, I can never live on  
I just need to know how to pray  
My wicked desires block the way  
Sometimes I have grieved You away  
I don't want to do that today  
Draw me, oh draw me, please draw me, my Jesus
