

# Heavy Metal Kids (feat. Utopia)

## Todd Rundgren

It's like a normal Times Square day on 42nd Street  
I feel like trashing some windows and crunching some feet  
I watch society crumble and I just laugh  
They soon will see what it's like to be the other half But I'm trying  
Said, I'm trying to forget  
And it ain't happened yet  
No, it ain't happened yet I musta woke up this morning with a bug up my ass  
I think I'll just haul off and belt the next jerk that I pass  
My old man says I'm just a stoned little punk  
But he keeps himself a pistol and he's always drunk But I'm trying  
Said, I'm trying to forget  
And I'm trying to forget  
And it ain't happened yet I know something's gonna give pretty soon  
I know it, something's gonna give  
Gonna give, gonna give, gonna give I wanna live  
I wanna mess this whole world around  
I wanna live  
I wanna mess this whole world  
Mess this whole world around Go on and poison all the water, use up all the air  
Blow your stupid heads off, see if I could care  
Put me down but don't blame me for what you did  
'Cause inside everyone is a heavy metal kid I was a sweet little kid once, now, I'm a full grown crank  
And when I die, I'll probably come back as a Sherman tank  
I know that I could make this world so peaceful and calm  
If I could only get my hands on a hydrogen bomb But I'm trying  
Said, I'm trying to forget  
Said, I'm trying to forget  
And it ain't happened yet I know something's gonna give pretty soon  
I know it, something's gonna give  
Gonna give, gonna give, gonna give I wanna live  
I wanna mess this whole world around  
I wanna live  
I wanna mess this whole world  
Mess this whole world around Go on and poison all the water, use up all the air  
Blow your stupid heads off, see if I could care  
Put me down but don't blame me for what you did  
'Cause inside everyone is a heavy metal kid
