

You Fool You

Roy Orbison

You fool you, That's what my friends all say
You fool you, Don't throw your love away
You fool you, Remember yesterday
Your baby walked away, away, from you. So there you go, Come running back again
Stars in your eyes, Be leading lights
Your hungry heart still longs for love
You think she'll win, And so you pretend You fool you, That's what my friends all say
You fool you, Don't throw your love away
You fool you, Remember yesterday
Your baby walked away, away, from you. Ooh ooh ooh ooh, Ooh ooh ooh ooh,
Ooh ooh ooh ooh, Ooh ooh ooh ooh,
You fool you.
