Chances Are

Johnny Mathis

Chances are, 'cause I wear a silly grin

The moment you come into view

Chances are you think that I'm in love with youJust because my composure sort of slips

The moment that your lips meet mine

Chances are you think my heart's your valentineIn the magic of moonlight

When I sigh, "Hold me close, dear"

Chances are you'll believe the stars

That fill the skies are in my eyesGuess you feel you'll always be

The one and only one for me

And if you think you could

Well, chances are your chances are awfully goodChances are you'll believe the stars

That fill the skies are in my eyesGuess you feel you'll always be

The one and only one for me

And if you think you could

Well, chances are your chances are awfully good The chances are your chances are awfully good
