

A Song for You (London Daydream Mix)

Rachael Lampa

A la la la la la la
A la la la la la la, oh
A la la la la la la

A la la la la la la , la laIf ever there was a day when there wasn't enough time

If I was too careless to say You have been on my mind

I know I have passed up the chance before

But I want to tell You nowI love, I love You, I even need You, ooh

No better time to say

I love, I love You, I even need You, ooh

This is a song for YouIf ever there was a time when I pushed You aside

I'm so glad You stayed through it all and that You're in my life

Oh there have been times when I didn't know how

But I wanna tell You nowI love, I love You, I even need You, ooh

No better time to say

I love, I love You, I even need You, ooh

This is a song for YouFor the skies that You made blue

For the smiles the light reflects it throughIf today was my very last day and I lost my chance to say

In Heaven, oh I would hope that You

Know that You've been an Angel, for all You've done for meI love, I love You, I even need You, ooh

I love, I love You, I even need You, ooh

This is a song for YouI love, I love You, I even need You, ooh

I love, I love You, I even need You, ooh
