

Helsinki Art Scene (Nightbox Remix)

Satellite Stories

It was taking too long
High five Hong Kong
I shouldn't confort them well
It was taking too long,It was taking too longI was saying goodbye
Boom Boom Shanghai
Wohooy
I shouldn't confort them well
I was saying goodbye,I was saying goodbyeIt feels so wrong,It feels so wrong,It feels so wrong
BecauseI don't wanna,I don't wanna be in Helsinki Art Scene
I don't wanna,I don't wanna be in Helsinki Art Scene
I don't wanna,I don't wanna be in Helsinki Art Scene
I don't need,I don't need to be in Helsinki Art SceneIt was taking too long
