Science Genius Girl

Freezepop

i'm a science genius girl
i won the science fair
i wear a white lab coat
dna strands in my hairwhen i clone a human being
it will want to hold my hand
when i clone a human being
it will be a member of my band
it will be a member of my band
it will be a member of my bandscientific method girl
the theorems speak to me
microscope is in my hand
x1, x2, x3when i clone a human being
it will want to hold my hand
when i clone a human being
it will be a member of my band
it will be a member of my band
it will be a member of my bandmeasure out the chemicals
safety goggles on my eyes
turn the bunsen burner on
my creation comes alivei have cloned a human being
it is here and holds my hand
i have cloned a human being
it is now a member of my band
it is now a member of my band
it is now a member of my band
i have cloned a human being
it is here and holds my hand
i have cloned a human being
it is now a member of my band
