Pharaoh

Crooked Still

Going alone, going alone, going alone
Take that pharaoh
Going alone, going alone, going alone
Take that pharaohWhen the lights die down
You'll see them goGoing alone, going alone, going alone
Take that pharaoh
Going alone, going alone, going alone
Take that pharaohWhen the lights die down
You'll see them goWe are all living for the game
For the game, oh, Heaven is weeping
We are all living for the game
For the game, oh, Heaven is weepingPlease don't let my memory fail me now
'Cause I've waited all this time and I can't run another mile
Oh, please don't let the world know now
Please don't let the world know nowWe are all living for the game
For the game, oh, Heaven is weeping
We are all living for the game
For the game, oh, Heaven is weeping
