

# Pharaoh

## Crooked Still

Going alone, going alone, going alone  
Take that pharaoh  
Going alone, going alone, going alone  
Take that pharaoh When the lights die down  
You'll see them go Going alone, going alone, going alone  
Take that pharaoh  
Going alone, going alone, going alone  
Take that pharaoh When the lights die down  
You'll see them go We are all living for the game  
For the game, oh, Heaven is weeping  
We are all living for the game  
For the game, oh, Heaven is weeping Please don't let my memory fail me now  
'Cause I've waited all this time and I can't run another mile  
Oh, please don't let the world know now  
Please don't let the world know now We are all living for the game  
For the game, oh, Heaven is weeping  
We are all living for the game  
For the game, oh, Heaven is weeping
