Drunk Texting

Rak-Su

We were here so many many times before
I don't know if I can do this no more
You get to talk and then you just hit the floor
I don't know if I could do this no more
But now I'm saying I'm forever yours
Really I don't know if I can do this no more
But maybe I can, I say maybe I can
Misscause leads to drunk texting (misscause leads to drunk)
Can I come over baby I union
Misscause leads to drunk texting (misscause leads to drunk)
Drunk love the recipe I'm feeling
Been a while since I let you in
But my heart stays on you
But my heart stays on you
But my heart stays on you
But when I can (?) on tonight
She says you got 24 hours
Hit it right
Show me if you still remember what I like
And now I can't drive someone (?) inside
But when I can (?) on tonight
She says you got 24 hours
Hit it right
Show me if you still remember what I like
And now I can't drive someone (?) inside
Can't dri-i-i-ive
Can't dri-i-i-ive
I said I can't dri-i-i-ive
Miss cause leads to drunk texting
If I come over baby I union
Miss cause leads to drunk texting
