

Warrior

The Child of Lov

Oh, I'm moving on baby
Oh, I'm leaving my heart all the sorrow and pain and the hurtness
Oh, I'm moving on baby
I said I'm moving, oh follow the lead that I found for a better tomorrow
I am a mountain top
I am a child of love
Look in the mirror
I am a warrior
I am a mountain top
I am a child of love
Look in the mirror
I am a warrior
Oh, I'm moving on baby
Oh, I'm leaving my heart all the sorrow and pain and the hurtness
Oh, I'm moving on baby
I said I'm moving, oh follow the lead that I found for a better tomorrow
I am the hurrican
I am the breath of rain
Look in the mirror
I am the deepest vein
I am the hurrican
I am the oxygen
Look in the mirror
I am a warrior
Oh, I'm moving on baby
Oh, I'm leaving my heart all the sorrow and pain and the hurtness
Oh, I'm moving on baby
I said I'm moving, oh follow the lead that I found for a better tomorrow
Oh, look in the mirror ... warrior
Oh, look in the mirror ... warrior
Oh, look in the mirror ... warrior
Oh, look in the mirror ... warrior
