

# Rex's Blues

## Guy Clark

(townes van zandt)

Ride the blue wind high and free  
She'll lead you down through misery  
Leave you low, come time to go  
    Alone and low as low can be  
    If I had a nickel I'd find a game  
    If I won a dollar I'd make it rain  
    If it rained an ocean I'd drink it dry  
    And lay me down dissatisfied  
    Legs to walk and thoughts to fly  
    Eyes to laugh and lips to cry  
    A restless tongue to classify

All born to grow and grown to die  
    So tell my baby I said so long  
    Tell my mother I did no wrong  
    Tell my brother to watch his own  
And tell my friends to mourn me none  
    I'm chained upon the face of time  
    Feelin' full of foolish rhyme  
There ain't no dark till something shines  
    I'm bound to leave this dark behind  
    Ride the blue wind high and free  
    She'll lead you down through misery  
    Leave you low, come time to go  
    Alone and low as low can be
