

The Cage

Little Green Cars

Brass
everything is brass
no
there are no secrets
yes
everything is obvious
blah,
blah blah blah blah blah
i just dont know
which side of the cage
that i am on
i just dont know
which side of the cage
that i belong
on
you
you are a catalist
yeah you're broke
you broke my camel's back
with the straw
straw for a milkshake
now i'm si'm all sup now
and i just dont know
which side of the cage
that i am on
and i just dont know
which side of the cage
that i belong on
and i just dont know
which side of the cage
that i am on
and i still dont know
which side of the cage
that i belong on
brass
everything is brass
no
there are no secrets
yes

everything is obvious

blah

blah blah blah blah blah
