

Strangers In The Night

The Sandpipers

Strangers in the night,
Exchanging glances
Wandering the night,
What were the chances
We'd be sharing love
Before the night was through
Something in your eyes
Was so inviting
Something in your smile
Was so exciting
Something in my heart
Told me I must have you
Strangers in the night
Two lonely people
We were strangers in the night
Up to the moment
When we said our first hello
Little did we know
Love was just a glance away
A warm embracing dance away
And ever since that night
We've been together
Lovers at first sight
In love forever
It turned out so right
