Hold My Hand

Jess Glynne

Standing in a crowded room and I can't see your face
Put your arms around me, tell me everything's okay
In my mind, I'm running round a cold and empty space
Just put your arms around me, tell me everything's okayBreak my bones but you won't see me fall, oh
The rising tide will rise against them all, ohDarling, hold my hand
Oh, won't you hold my hand?
'Cause I don't wanna walk on my own anymore
Won't you understand?
'Cause I don't wanna walk alone
I'm ready for this, there's no denying
I'm ready for this, you stop me falling
I'm ready for this, I need you all in
I'm ready for this, so darling, hold my handSoul is like a melting pot when you're not next to me
Tell me that you've got me and you're never gonna leave
Tryna find a moment where I can find release
Please tell me that you've got me and you're never gonna leaveBreak my bones but you won't see me fall, oh
The rising tide will rise against them all, ohDarling, hold my hand
Oh, won't you hold my hand?
'Cause I don't wanna walk on my own anymore
Won't you understand?
'Cause I don't wanna walk alone
I'm ready for this, there's no denying
I'm ready for this, you stop me falling
I'm ready for this, I need you all in
I'm ready for this, so darling, hold my handDon't wanna know
That feeling when I'm all alone
So please don't make me wait
'cause I don't wanna break
And I don't wanna fall
When you're next to me
Can tell I'm not afraid to be
That you don't make me wait, and never let me break
You never let me fallDarling, hold my hand
Oh, won't you hold my hand?
'Cause I don't wanna walk on my own anymore
Won't you understand?
'Cause I don't wanna walk alone
I'm ready for this, there's no denying
I'm ready for this, you stop me falling

I'm ready for this, I need you all in
I'm ready for this, so darling, hold my hand
