

# Any Way You Want It

## Kiss

Any way you want it, you can call me any day  
Hey, hey, hey  
Any way you want it, you will always hear me say  
Hey, hey, hey It's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
So any way you want it  
That's the way it will be You don't want money, you don't want a diamond ring  
Hey, hey, hey  
You say you want my lovin' more than any other thing  
Hey, hey, hey It's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
So any way you want it  
That's the way it will be Any way, any way you want it  
That's alright by me  
Any way, any way you want it  
That's the way it will be Any way you want it, you can call me any day  
Hey, hey, hey  
Any way you want it, you will always hear me say  
Hey, hey, hey It's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
So any way you want it  
That's the way it will be Any way, any way you want it  
That's alright by me  
Any way, any way you want it  
That's the way it will be Any way you want it, you can call me any day  
Hey, hey, hey  
Any day you want it, you will always hear me say  
Hey, hey, hey It's alright, it's alright, it's alright, it's alright  
It's alright, it's alright, it's alright  
So any way you want it  
That's the way it will be That's the way it will be  
That's the way it will be
