It's Been so Long

[Benny Goodman](#)

'Cause it's been so long since I held you tight
When we said goodnight
It's been so long, honey, can't you see
What you've done to me?I've been in a kind of daze
For days and days and days
Feelin' blue, missin' you
In, oh, so many ways'Cause it was so nice when we had that date
Every night at eight, it was so nice
Then we said goodbye, what a fool was I
Let me get back in your arms where I belong'Cause it's was, oh, so long
