

# Serial Killa

## Eddie K

Six million ways to die, choose one  
It's time to escape, but I don't know where the fuck I'm headed  
Up or down, right or left, life or death  
I see myself in a mist of smoke  
Death becomes any nigga that takes me for a joke  
We hit a five dollar stick, now we puttin' in work  
Unaccountable amounts of dirt, death becomes all niggaz  
Anybody killa, you know what the deal is  
Nigga, you know what the real is  
I see some mark brand niggaz on the corner flaggin' me down  
Sayin, "Yo Daz, what's up with the Pound?  
Is that nigga Snoop alright? Aiiyyo what's up with the crew?  
Is them niggaz in jail, or are them niggaz through?" I said, "If you ain't up on thangs  
Snoop Dogg is the name, Dogg Pound's the game"  
It's like this they don't understand  
It's an everyday thang, to gang bang  
Make that twist, don't be a bitch, let these niggaz know  
What's up with you I represent the Pound and Death Row  
And can't no other motherfucker in L.A. or Long Beach  
And Compton and Watts see D-O-G's  
Now, you can't come and you can't run, and you can't  
See long to the G of the gang  
One gun is all that we need, to put you to rest  
Put two slugs dead in your chest  
Now you dead then a motherfucker creepin' and sleepin'  
6 feet deep in, fuckin' with the Pound is  
Suicide, it's a suicide  
Suicide, it's a suicide  
Suicide, it's a suicide  
The cloud becomes black, and the sky becomes blue  
Now you in the midst of the Dogg Pound crew  
Ain't no clue, on why the fuck we do what we do  
Leave you in a state of paranoia, ooh  
Don't make a move for your gat so soon  
'Cause I drops bombs like Platoon  
Walk with me, hold my hand and let me lead you  
I'll take you on a journey, and I promise I won't leave you  
Until you get the full comprehension  
And when you do, that's when the mission  
For survival, becomes your every thought  
Keep your eyes open, 'cause you don't wanna be caught  
Half steppin' with your weapon on safety  
Now break yourself motherfucker, 'fore you make me  
Take this 211 to another level  
I come up with your ends, you go down with the devil  
Now roam through the depths of hell  
Where the rest your busta ass homeboys dwell  
Well  
Suicide, it's a suicide  
Suicide, it's a suicide  
Suicide, it's a suicide  
Now tell me, what's my motherfuckin' name?

Serial killa, serial killa, serial killa  
Wake up in the mornin', to Lucky Charms cereal  
Deep, deep like the mind of Minolta  
Now picture this, let's picnic inside a morgue  
Not pic-a-nic baskets, pic-a-nic caskets  
And I got the machine, that cracks your fuckin' chest plates  
Open and release them guts then I release def cuts  
Brutal, jagged edged, totally ruff neck  
Now everybody scream nuff respect to the X  
Nuff respect given, disrespect and you will not be livin'  
Word to momma, Emma, drama, dilemma  
Suicide, it's a suicide  
Suicide, it's a suicide  
Now tell me, what's my motherfuckin' name?  
Serial killa, serial killa, serial killa  
Wake up in the mornin', to Lucky Charms cereal
