I Do!!

Toya

He was a 6 foot stallion said a storybook thug
He was the kind that made you wonder how he put down the love
He had a hickey in his pocket, a phat rock in his ear
He made my heart stop pulpitating everytime he came near
He has a spankin new Range for that tight wardrobe
His pants was saggin, he was plaided, and his head was cornrows
He has his wrists bling blinging and his long legs was bow
He tried to push up on me but I knew he had me at go

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control

Me and my crew started groovin Made our way to the floor
It's time to activate my plan and give this hottie a show
I shook my hips, took a dip, roll my tounge 'cross my lips
And when he took his place to dance wit me I felt fingertips
On the small of my back, so i had to react
Like I was playin hard to get and told that boy to step back
But when I looked deep in his eyes all i could see was his soul
Im bout to make this guy my man .. that i can tell you, fa 'sho

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control

Watch me drop, drop, shake it for the fellahs who know
Watch me pop, pop my hips as I dip and roll

Watch me stop, stop traffic as I walk through the room
Knowin all the papi's want me but all I want is you

(I do)

Watch me drop, drop, shake it for the fellahs who know
Watch me pop, pop my ass as I dip and roll
Watch me stop, stop traffic as I walk through the room
Knowin all the papi's want me but all I want is you

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control

I Do, I wonder if you feel the same way I do
I can see it in your eyes, I entice you
So come on shorty if you think you can roll
wit an iced out playah ballin out of control
