

# I Wish I Never Saw The Sunshine

Beth Orton

Baby do you know what you did today?  
Baby do you know what you took away?  
You took the blue out of the sky  
My whole life changed when you said goodbye  
And I keep crying, crying Ooh baby, ooh baby  
I wish I never saw the sunshine  
I wish I never saw the sunshine  
And if I never saw the sunshine baby  
Then maybe I wouldn't mind the rain Every day is just like the day before  
All alone a million miles from shore  
All of my dreams I dreamed with you  
Now they will die and never come true  
And I keep crying, crying Ooh baby, ooh baby  
I wish I never saw the sunshine  
I wish I never saw the sunshine  
And if I never saw the sunshine baby  
Then maybe I wouldn't mind the rain Ooh this pain  
And I know there would not be  
This cloud that's over me  
Everywhere I go Ooh baby, ooh baby  
I wish I never saw the sunshine  
I wish I never saw the sunshine  
And if I never saw the sunshine baby  
Then maybe I wouldn't mind the rain Ooh this pain  
I wouldn't mind the rain  
There wouldn't be this pain  
I wouldn't mind the rain  
Wouldn't mind the rain
