

In A Drawer (Feat. J. Mascis)

Band of Horses

Sitting on a bearskin rug
Listening to grandpa talk
The whistle of an odd bird call
A photo of the long lost dog Do you love me? Which one is it?
We should be living in a warehouse district
I take the day and the lesson it taught me
Passing off blame to anybody is easy
But darling, you know it shouldn't be like that
Can I go with you to the laundromat? I found it in the drawer
In the drawer, I found it in a drawer
Took a little time but now I found it a drawer
Can't go on, no I'll go on (left it a long time ago)
In a drawer, hidden in a drawer
I found it at the bottom, I found it in a drawer
Can't go on, no I'll go on (I found it in a drawer) Do you love me? (do you love me?)
Do you love me? (do you love me?)
Do you love me? (do you love me?)
Do you love me? (do you love me?) The creaking wood under my walk
Familiar like an old time song
A memory when you were young
Remembering a time long gone Do you love me, baby? Do you love me?
Do you love me, baby? Do you love me? I found it in a drawer
In a drawer, I found it in a drawer
Took a little time but now I found it in a drawer
Can't go on, no I'll go on (left it there a long time ago)
In a drawer, hidden in a drawer
Found it at the bottom, I found it in a drawer
Can't go on, no I'll go on (I found it in a drawer)
In a drawer, found it in a drawer
You have to go and now I found it in a drawer
Can't go on, no I'll go on
