

Rounder

Fever the Ghost

I heard of something
A place and time where love is bought
But never sold
I felt for no one
But prayed for peace
Before I calmed to help the storm
If you were me and I was you
I'd make it rounder
Fill the time and fix the space between the lord and me
Oh, well I've found it
It's 'round me
When I can't see
Oooh, well I've found it
It's 'round me
When I can't see
Oooh, well I've found it
It's 'round me
When I can't see
Oooh, well I've found it
It's 'round me
When I can't see
