Maybe Tomorrow

Lewisland

Maybe itâ€™s the sunlight on your hair
Maybe itâ€™s that rainbow when you smile
Maybe itâ€™s the feeling in the air
Maybe itâ€™s your number that I dial
Maybe itâ€™s the words that cross your lips
Maybe itâ€™s the thought thatâ€™s on your mind
Maybe itâ€™s my hand thatâ€™s on your hips
Maybe itâ€™s a thought I left behind
Maybe tomorrowâ€™s on itâ€™s way
Maybe our futureâ€™s starts today
Maybe the world will turn again
Maybe tomorrowâ€™s not the end
Maybe itâ€™s a map thatâ€™s on your face
Maybe itâ€™s a chance I have to take
Maybe itâ€™s a God forsaken place
Maybe itâ€™s a point I have to break
Maybe tomorrowâ€™s on itâ€™s way
Maybe our futureâ€™s starts today
Maybe the world will turn again
Maybe tomorrowâ€™s not the end
Maybe itâ€™s the sunlight on your hair
Maybe itâ€™s that rainbow when you smile
Maybe itâ€™s the feeling in the air
Maybe itâ€™s your number that I dial
Maybe tomorrowâ€™s on itâ€™s way
Maybe our futureâ€™s starts today
Maybe the world will turn again
Maybe tomorrowâ€™s not the end
