

# Am I the Same Girl

## Dusty Springfield

Why don't you stop and look me over?  
Am I the same girl you used to know?  
Why don't you stop and think it over?  
Am I the same girl who knew her soul? I'm the one you want and I'm the one you need  
I'm the one you love, the one you used to meet  
Around the corner everyday we would meet and slip away  
But we were much too young to love each other this way Am I the same girl? Yes I am, yes I am  
Am I the same girl? Yes I am, yes I am Why don't you stop and look me over?  
Am I the same girl you used to know?  
Why don't you stop and think it over?  
Am I the same girl who knew her soul? I'm the one you hurt and I'm the one you need  
I'm the one who cried, the one you used to meet  
But you are pretending you don't care but the fire, oh, is still there  
Now were no longer too young to love each other this way Am I the same girl? Yes I am, yes I am  
Am I the same girl? Yes I am, yes I am  
Am I the same girl? Yes I am, yes I am  
Am I the same girl, yeah? Yes I am, yes I am  
Am I the same girl, oh baby? Yes I am, yes I am
