

Me Against The Music

Glee Cast

All my people in the crowd
Grab a partner, take it down
It's me against the music
Uh huh, it's just me and me, yeah, c'mon
Hey Britney?
Are you ready? Uh huh, are you?
No one cares
It's whippin' my hair, it's pullin' my waist
To hell with stares
The sweat is drippin' all over my face
And no one's there
I'm the only one dancin' up in this place
Tonight I'm here
Feel the beat of the drum, gotta get with that bass
I'm up against the speaker, tryin' to take on the music
It's like a competition, me against the beat
I wanna get in the zone, I wanna get in the zone
If you really wanna battle, saddle up and get your rhythm
Tryin' to hit it, you could die
In a minute I'm a take a you on, I'ma take a you on
All my people on the floor
Let me see you dance, let me see ya
All my people wantin' more
Let me see you dance, I wanna see ya
All my people, 'round and 'round
Let me see you dance, let me see ya
All my people in the crowd
Let me see you dance, I wanna see ya
So how would you like a friendly competition?
Let's take on the song
It's you and me baby, we're the music
Time to party all night long
We're almost there
I'm feelin' it bad, and I can't explain
My soul is bare
My hips are movin' at a rapid pace
Can you feel it burn?
From the tip of my toes, runnin' through my veins
And now it's your turn

Let me see what you got, don't hesitate
I'm up against the speaker, tryin' to take on the music
It's like a competition, me against the beat
I wanna get in the zone, I wanna get in the zone
If you really wanna battle, saddle up and get your rhythm
Tryin' to hit it, you could die
In a minute I'ma take a you on, I'ma take you on
All my people on the floor
Let me see you dance, let me see ya
All my people wantin' more
Let me see you dance, I wanna see ya
All my people, 'round and 'round
Let me see you dance, let me see ya
All my people in the crowd
Let me see you dance, I wanna see ya
So how would you like a friendly competition
Let's take on the song
It's you and me baby, we're the music
Time to party all night long
Get on the floor, baby lose control
Just work your body and let it go
If you wanna party, just grab somebody
Hey Britney, we can dance all night long
Hey Britney, you say you wanna lose control
Come over here, I got somethin' to show ya
Sexy lady, I'd rather see you bare your soul
If you think you're so hot, better show me what you got
All my people in the crowd
Let me see you dance
C'mon Britney, lose control
Watch you take it down
Get on the floor, baby lose control
Just work your body and let it go
If you wanna party, just grab somebody
Hey Britney, we can dance all night long
All my people on the floor
Let me see you dance, let me see ya
All my people wantin' more
Let me see you dance, I wanna see ya
All my people, 'round and 'round
Say, let me see you dance, let me see ya
All my people in the crowd
Say let me see you dance, I wanna see ya
All my people in the crowd, let me see you dance
C'mon Britney, take it down, make the music dance

All my people round and round, party all night long
C'mon Britney, lose control, watch you take it down
